Please just address the comments in redline, so I can take a look. Ultimately, we will need to accept all of the OGC edits unless they are legally incorrect.

Yes, Adam. I will discuss the comments with ILPD now.

I see OGC also incorporated additional redline edits. Would you like us to review/accept (as appropriate) and send you a clean copy? Or, do you prefer a redline version?

Subject: RE: Endorsing and Espousing Terrorist Activity Paper

Adam,

Attached is a redline version of the paper so prior reviewers can see which comments were addressed. For ease of review, we accepted the majority of the DOS/USCIS redline and we deleted comments that were included only to explain a USCIS or DOS revision that we accepted. In this version, however, we preserved the more substantive comments, especially those that warranted an ICE response.

I have also attached the clean version of the paper that was sent to you on Friday.

Thank you,

Looking at this again, is there a redline from the prior version so folks can see that their comments were addressed?

Adam,

Please see the attached draft white paper discussing the inadmissibility ground for endorsing or espousing terrorist activity. This version incorporates the majority of the revisions/comments provided by DOS and USCIS, and includes additional revisions made by ILPD, NSLS, and DCLD in response to their comments.
