Subject: Fwd: Clearance

Hi everyone,

I sent the short email below to a few of our senior leaders to share the conversations about expectations with communication clearance. I did this after I chatted with Kristen N in my shop and Leslie and John.

Please let me know how I can be most helpful.

Thank you!

Subject: Clearance

Hi all,
I touched base with Nancy and Allen this morning and let them know that OADC leadership has been reaching out to each ADCS to reinforce and clarify communication clearance policies. (b)(5)

In the meantime, here is a link to the OADC communication clearance matrix:
http://intranet.cdc.gov/oadc-docs/ocs/CDCCommunicationClearance_OADC2015.pdf
"Low risk" interviews are currently cleared through the Center level and provided to the Division of Public Affairs and OADC Director as "advance informational copy" – mostly through the media tracking system.

I will let you know as we receive more guidance. Kristen, as always, is in very close contact with our DPA liaison.
Thanks,
Erin
