Subject: Clearance

Hi all,

I touched base with Nancy and Allen this morning and let them know that OADC leadership has been reaching out to each ADCS to reinforce and clarify communication clearance policies. (b)(5)

(b)(5)

In the meantime, here is a link to the OADC communication clearance matrix:
http://intranet.cdc.gov/oadc-docs/ocs/CDCCommunicationClearance_OADC2015.pdf

"Low risk" interviews are currently cleared through the Center level and provided to the Division of Public Affairs and OADC Director as "advance informational copy" – mostly through the media tracking system.

I will let you know as we receive more guidance. Kristen, as always, is in very close contact with our DPA liaison.

Thanks,
Erin
