Amici Supporting Appellant

O R D E R

This case was previously scheduled for oral argument. Upon consideration of appellee's consent motion to stay appeal, the court grants the motion, removes the

case from the argument calendar and places this case in abeyance to allow the new Executive Office for Immigration Review and Department of Justice leadership officials sufficient time to become familiar with the issues on appeal and determine how they wish to proceed.

The parties are directed to file a status report 60 days from the date of this order.
