Mr. Mark Langer
Clerk of the Court
U.S. Court of Appeals for the
District of Columbia Circuit
E. Barrett Prettyman U.S. Courthouse
333 Constitution Avenue N.W.

Re: *Doc Society v. Blinken*, No. 23-5232 (D.C. Cir.); Oral argument not yet scheduled

Dear Mr. Langer:

As plaintiffs correctly noted in their reply brief (at 8), the government's response brief (at 24–25) in this case cited a non-controlling portion of this Court's opinion in *Haitian Refugee Center v. Gracey*, 809 F.2d 794 (D.C. Cir. 1987), for the proposition that a plaintiff alleging organizational standing based on government interference with third-party relationships must show that the government acted "purposefully." *See id.* at 801; *see also id.* at 796 n.1 (noting which portions of the opinion constitute the opinion of the Court). We apologize for that inadvertent error. By contrast, the opinion's discussion of prudential standing carried a majority, *see id.* at 796 n.1, 807–16, and the government's reliance (Br. 38–39) on that portion of the opinion is unaffected.

Respectfully submitted,

Daniel Tenny
