Department of State @StateDept

The United States has no obligation to host foreigners who wish death on Americans.

The State Department continues to identify visa holders who celebrated the heinous assassination of Charlie Kirk. Here are just a few examples of aliens who are no longer welcome in the U.S.:

A South African national mocked Americans grieving the loss of Kirk, saying "they're hurt that the racist rally ended in attempted martyrdom" and alleging "he was used to astroturf a movement of white nationalist trailer trash."

Visa revoked.

Neanderthals can't have their cake & eat it... This weekend they went openly anti-black racist & now they're hurt that the racist rally ended in attempted martyrdom? Charlie Kirk won't be remembered as a hero. He was used to astroturf a movement of white nationalist trailer trash!

.@POTUS and @SecRubio will defend our borders, our culture, and our citizens by enforcing our immigration laws.

Aliens who take advantage of America's hospitality while celebrating the assassination of our citizens will be removed.
